

Who can volunteer?

Anyone can, whether you have half an hour or a day available, we have opportunities to suit everyone. We also have experience in working with local scout groups, colleges and charities to offer bespoke sessions across the town.

Corporate & Community Groups

Do you own or work for a local business or community group that would like to get involved? We can cater for small or large groups, full days or half days.

Schools

We continue to develop our support to local schools. Our staff are able to tailor sessions, work plans or activities to meet the educational needs of your pupils.

If you would like to find out more, have an informal chat or book a place on a session, please contact us

Previous volunteers say

"Thank you so much for supporting our Global Community day again The feedback was so positive and hopefully we've made a difference".

AC Nielsens

"We help in many different areas ...with a wide variety of tasks that have included coppicing, pond-clearance, heath reclamation and reed raking. We greatly enjoy this work and appreciate, in particular, Carl's efforts to plan sessions with different activities on different sites"

VOLUNTEER IN YOUR LOCAL PARKS AND OPEN SPACES

-  Promote Conservation and Wildlife
-  Help Restore Biodiversity
-  Improve Health and Wellbeing
-  Meet New People
-  Make a Positive Contribution to Your Community
-  Have Fun!

WITNEY
TOWN COUNCIL

What could I be doing?

Tasks you could help with include:

Coppicing of Hazel and in doing so maintain an ancient tradition of woodland management that has been taking place over hundreds of years in this area

Events Run or even plan events and open days that promote the work being carried out on various sites

Friends Groups Form a group of local residents, businesses or stakeholders and support your local park and open spaces.

Surveying of plants and wildlife to provide information on the results of work carried out, with regard to whether it was successful or not.

Tree Planting Tree Planting, replacing them where needed and planting new native trees in appropriate areas, to benefit the local wildlife

Photography Photographing locations, flora fauna or other topics.

What do I get in return?

We will provide opportunities to learn new skills and experiences, from coppicing, planting, scrub clearance to bush-crafts, communication, bio-diversity, gardening.

You will also meet new people or even old friends and most importantly have fun!

All tasks will be led by skilled leaders and safety equipment will be provided

What can we achieve?
